

LITERACY INTENSIVE EVERY WEEK AFTER LUNCH

In student-led reading and writing groups, Flight attendees will take to the outdoors to increase reading proficiency, and unlock meaning from their favorite books by using balanced literacy techniques!

FLIGHT INFORMATION

- LOTUS provides 3 instructors daily for all activities.
- Flight is staffed daily with two experienced educators who each hold a Master's in Teaching degree from The University of Chicago.
- Each intensive is a partnership formed with organizations who have proven to be successful facilitators of academic/athletic programs.

- Flight provides transportation to off-site intensives, breakfast, lunch, and snacks each day for each child.
- Each intensive will be facilitated by an industry-based instructor from a professional in that field.
- Participants must serve for the duration of the program except for health complications or other unexpected conditions.

FLIGHT ATTRACTIONS!

- Intensives: STEM - Journalism - Team Rowing - Tennis - Literacy Circles - Zip Lines Nutrition - Rope Courses!
- Museum Field Trips
- College Tour/Experience Purdue University

LOTUS PRESENTS "FLIGHT" A SUMMER ENRICHMENT INTENSIVE PROGRAM

- Not a Flight program, but a flight program where all students receive their benefits.
- Do I need to pay what you want to be used to do? Do you charge when you book the program?
- Flight only includes the rope course for the first two classes at the site and is provided through our partners.
- If you wish to receive an additional intensive program that includes all day "Sleepaway" experiences for kids & adults.
- Engaging, fun & interactive, we have a special one-on-one program for only 25 participants between the two groups and the day after.
- We offer a Flight of 6 full day programs for you to sample in one book and for the summer.
- Breakfast, lunch and snacks provided from 7:30am-5pm (snacks provided in Sleepaway experience and museum week).
- Read the full brochure for all of activities and scheduling.
